9300 Gunmetal

Our package furnishings offer the lowest prices with rich contemporary designs, without compromising style and comfort.

Although we make every attempt to have the exact furniture you select, substitutions of equal or greater value may be necessary due to increased demand and/or a delay in shipments from suppliers.

Tanner Creek

The contemporary design of the Occasional and Entertainment comes in a scratch and water-resistant simulated wood laminate.

Tanner Creek

Our Dinette's match the occasional tables with the same durable simulated wood laminate. The table is a drop-leaf and can accommodate 2-4 chairs. We also offer larger tables that can accommodate up to 6 chairs.

D120 Black and Silver

Or if your space is limited, you can choose the optional Bar Stools with adjustable pneumatic height to fit any counter or bar.

1030 Driftwood

The Bedroom set is a casual contemporary style with solid wood framing and durable simulated wood surfaces for scratch and water resistance. The weathered driftwood finish comes with brushed silver drawer pulls. (The set comes as a headboard only without the footboard and rails)
